- When you have selected the activity you wish your child to participate in, please complete the chart above, (if applicable). **Please return to Mrs Gonoud by Friday 18th July.**
- **Return this form to register your child's interest for street dance. By returning form we can set up payment option to be made. Please note the child's place is not secured until payment received via Parent Pay.**
- We will aim to confirm which club or clubs your child has a place in by **Friday 12th September.**

Important Information

- **Please return requests to Mrs Gonoud (Main Reception) by Friday 18th July**
- As clubs are allocated on a first come first served basis this is the best place to deliver forms which will be date stamped and numbered depending on when they appear at the main reception desk.
- Children will collect all their belongings at the end of the school day and take everything with them to the club. Children will be dismissed by club tutors and will not be able to re-enter school once they have been dismissed.
- Children may attend an after school activity up to 4.30 followed by the Late Owls 4.30-5.45, if booked in advance.
- Siblings may not wait until 4.30 in the entrance hall as the Reception area is unsupervised after 4pm, please book a place in Late Owls 3.30-4.30 if necessary.
- Please send your child with appropriate clothing for the weather e.g. sun cream/raincoats. Clubs will go ahead regardless of the weather. Tutors will switch to indoor or undercover activities if necessary.
- Some clubs are by invitation only. This is not a guarantee that children will be in the school teams, however, it is necessary to prepare for competitions and we expect school teams will be mainly drawn from these clubs if children attend regularly. However, if your child has other commitments on these evenings yet would like to represent the school please speak to Mr Holder. Similarly, if your child has not been invited yet would very much like to train with these groups please speak to Mr Holder and if there are spaces it may be possible for your child to join squad training.
- Minimum numbers are required for some clubs to go ahead. You will be informed if any activity does not run. Icon Academy sessions will only go ahead with a minimum of 12 pupils.
- KS1 children will be taken to the designated changing/meeting area by a member of staff. Children will be collected from the meeting area by the club tutor.
- If you have any questions or concerns regarding clubs please do not hesitate to speak to Mr Holder between 9-9.30 on Mondays via phone on 01753 541442 or email via school.admin@hfcs.org.uk
