

Life Cycles

In this session, pupils will explore the miraculous nature of human conception and birth. With the underpinning knowledge that we were handmade by God with our parents' help, children will go on a journey to discover how life is created in the womb. It is worth noting that sexual intercourse is not discussed in this session. The session ends with a thanksgiving meditation.

What is Puberty?

In this session, children will develop a base-level understanding of what puberty is and why we go through it. This session is a precursor to the session which will follow called 'Changing Bodies' which will look specifically at some of the changes that boys and girls will face when they enter puberty. Through the roleplay drama and presenter-led video, children should come out of this session knowing that puberty is part of God's plan for our bodies and that they can embrace the changes with confidence.

Changing Bodies

In the previous session, the pupils looked at the word 'puberty' and learnt how puberty is part of God's plan to help us love others more. In this session, pupils will use the correct terminology for genitalia relating to the discussion on puberty and explore some of the specific physical and emotional changes that will take place for boys and girls over the coming years.

Safe In My Body

Children will discuss different types of abuse, here referred to as 'abuse of private parts'. Children will be asked to think of trusted adults that they can talk to about any issues they may face.
