Planned expenditure		
1. Engage all pupils in regular physical activity		
Actions taken:	Funding spent:	Impact:
Pupil achievement and progress: PE monitoring in each lesson Pupil progress reports reviewed half termly to mark progress of each child throughout the school year.		Pupils understand what is required each lesson through shared success criteria. Performance through self and peer assessment is also evident and is used as a tool for children to improve their skills during PE. At least 85% of children to reach expected levels throughout all year groups. Last year's Y3 cohort underperformed compared to all other year groups with 82% reaching expected standard. Aim to increase this percentage by same cohort end of Y4.

Teaching and Learning; assessment and planning: Staff provided with up-to-date resources to assist in the delivery of PE Staff involved in the teaching of PE are provided with sufficient PPA time to ensure high quality PE lessons are planned for each and every child.	£1000	Teachers and coaches have broader knowledge and well-sourced resources to teach children really well. Teachers and coaches are well-prepared and therefore able to deliver high-quality PE lessons.
Inclusion, engagement and school culture: PE Co-ordinator to work closely other specialist sports coaches to provide exciting and enjoyable sporting experiences and opportunities for all children.	£3000	Children are developing a positive attitude towards PE as well as health and physical well-being.
Health and well-being: To promote and encourage a healthy lifestyle for all children through PE and school sport. Raise parents' awareness of the importance of sport and leading a healthy lifestyle.	£1000	Children become more proactive towards keeping fit and healthy, physically and mentally. Parents engaged and encouraging of a healthy lifestyle for their children.
Swimming: Children from Years 3, 4 and 5 will attend swimming lessons for an hour a week over a 10 week full-term period. Advent Term –Y5; Lent Term – Y4; Pentecost Term – Y3.	£4070	All children to feel and show more confidence when swimming following their lessons. At least 75% of Year 5 children expected to reach national curriculum levels in swimming.
2. Raise the profile of PE and sport across the school as a tool for whole-school improvement.		
Actions taken:	Funding spent:	Impact:
PE Co-Ordinator to liaise with other subject leaders to discuss ways PE can link to other areas of the curriculum. PE Co-ordinator works alongside our Sports Coach, in order to raise profile of PE, and deliver standards in line with the rest of our curriculum.	£500	PE curriculum and standards are at least in line with the rest of the school curriculum. Children achieve well against the national standard in PE. The PE co-ordinator is knowledgeable about the teaching of PE and confident about its delivery.
Displays in different areas throughout the school to promote the vast amount of sporting activities on offer to children both within school and the local community. Links made to SSSN for competitions and raising profile and other schools for non-competitive matches.	£500	Pupils to take skills used frequently in PE to adapt and use in other lessons. Pupils see the array of opportunities available to them displayed throughout school, inspiring them to try new activities.

3. Increase staff members' confidence, knowledge and skills in teaching PE and sport.		
Actions taken:	Funding spent:	Impact:
Affiliate to SSSN Curriculum Provision/CPD and whole school support package. Provide opportunities for staff to increase knowledge of how to teach high quality PE, through working with Get Active. PE coach is observed regularly and given high-quality, precise feedback to help develop teaching.	£350	PE Co-Ordinator to attend at least two PE Lead specific training courses run by the Slough School Sports Network (SSSN). This enables PE Co-Ordinator to constantly evaluate PE provision and continue to improve it. Teaching staff are up-skilled when PE co-ordinator keeps up-to-date with training.
4. Offer pupils a broader range of sports and activities.		
Actions taken:	Funding spent:	Impact:
A wide selection of sporting activities, clubs and trips are organised throughout the year ensuring all children have the opportunity to participate in sport. School holiday clubs are made available for all school children during the Easter and Summer holidays to provide opportunities for less active to participate in more sporting activities.	£4000	The extensive range of activities help to raise confidence and skill levels of children throughout the school as well as performance in inter-school competitions.
Children with SEND attend specialised sports activities, such as swimming and trampolining.		SEND children have the opportunity to represent the school in a variety of sporting events, promoting the importance of health and well-being.
New sports equipment purchased to promote sporting activity.	£480	Children using new equipment to entice them to engage with previously unfamiliar sports.
5. Increase pupils' participation in competitive sport.		
Actions taken:	Funding spent:	Impact:
Affiliation with Slough School Sports Network (SSSN) competition package as well as providing opportunities outside of the SSSN network through links with sporting associations within the local community such as the BSFA (Berkshire Schools Football Association).	£3500	Holy Family to enter into a significant number of sporting competitions throughout Berkshire throughout the school year. Enhance pathways for more talented children in various sports due to links with local professional clubs and associations.
Entry fees and transport costs associated with sporting competition.	£1800	
Total budgeted cost		£19 700
