

Value, Inspire & Challenge

Trying to make the world a better place, through creating a learning environment based upon Gospel values where all children and adults become better people.

My strong foundations:

As part of Holy Family Catholic School I am building strong foundations through my learning characteristics, my Catholic social values and my Catholic virtues.

HFCB Learning Team

These are the characteristics that make me a strong learner.

Concentration	Hope	Independence	Initiative	Motivation
				
I stay on task, without being distracted or disturbing others.	I hope with certainty, trusting God's plan for me and that there is hope after every storm.	I can do things for myself, am self-driven and determined.	I think for myself. I get myself started, am resourceful and decide my next steps.	I am eager to learn, pushing myself and facing challenges with a positive attitude.
Optimism	Perseverance	Positive-Thinking	Resilience	Self-confidence
				
I believe anything is possible, whatever the challenge and share this with others.	I put all my efforts into achieving my best. I never give up; I keep trying and work hard.	I try to find positive solutions to problems. I bend any negative into positive with a smile.	I always bounce back! I continue to try if things go wrong and think of ways to tackle problems.	I face new challenges head-on, believing in my unique God given talents and abilities.

Catholic Social Teaching

These are how I choose to take action to make the world a better place.

Dignity of the Human Person  I know all people are valuable and therefore everyone should be treated with respect.	Stewardship of God's Creation  I care for, protect and stand up for the world God has given us.	Being Peacemakers, Promoting Peace  I share God's peace that surpasses all understanding with others.	Solidarity and Subsidiarity  I am part of a team; hearing and valuing everyone's unique voice.	Preferential Option for the Poor  I think about the needs of the most vulnerable first.	Participation and the Common Good  I work with others to make the world a better place.	Sharing Fairly, Distributive Justice  I know there is enough for everyone if those that have more, share with those who have less.

HSC's Catholic Virtues

These are the virtues we focus on as a school. I am growing to be...

	Respectful towards others and all things that God has created in our common home. Showing thanks through my words and actions.
	Faithful in myself and my God given goodness, always reflecting this in prayer.
	Courageous in my approach to every challenge I encounter; to enable me to become the best version of myself.
	Helpful, believing in a positive future for all.
	Forgiving towards myself, others, my learning, and the mistakes made along the way.
	Loving of myself and my neighbour by celebrating the gifts and positive attributes of all; generous in charity, giving in many ways such as time, support, friendship, and care.
	Trusting and honest in my actions as God guides me to say and do the right thing.
	Serving person who looks for and take any opportunity to help others in a bid to be a positive citizen.
	Lover of learning, excited to share for the benefit of everyone I meet on my journey through life.
	A good friend by showing kindness in all I think, say and do.
