

Year of St Francis Prayer — Holy Family Catholic School

Dear God,

We thank you for the life of St Francis,  
who showed us how to love, care, and live in peace.

Help us to live our mission  
to make the world a better place.

May our words be gentle, our actions be loving,  
and our hearts be open to everyone.

Help us to look after the world you made —  
the animals, the plants, the oceans, and the air —  
so that everyone can enjoy its beauty.

Help us to be kind and welcoming,  
and to stand up for those in need.

Teach us to share what we have,  
to forgive quickly,  
and to choose peace instead of anger.

Bless our families, our teachers, and our friends.

As this prayer travels to Assisi,  
send our love and hopes with it.

St Francis, pray for us,  
so that we can be peacemakers  
and help make the world a better place every day.

Amen.
