Expressions – As a class we watched the following video:

<https://www.youtube.com/watch?v=4za5eEmkcCM>

Please practise drawing the different expressions written in your sketchbook. When you have practised, you can choose your favourite expression and create a larger final piece sketch of yourself or a member of your family making that expression. You can use pencils and shading you have learned to bring your drawing to life.

Activity 2

Art from different cultures – Kenya

You could re-watch the video we saw together:

<https://www.youtube.com/watch?v=WhytqHqc63I>

Research Kenyan art and artists. What are the common features of Kenyan art? Practise some Kenyan patterns as part of your research in your sketchbook.

Draft a final piece into your sketchbook using some of the patterns you have tried out.

Create your final piece. Remember you need to include patterns and bold colours.
